

## **Family Agreement** **Parent/Caregiver Pledge**

To take part in the Computers In Homes programme

I agree to the following:

- To take care of the computer.
- I will not give my password and email username to anyone else.
- I will not charge anyone else to use our CIH computer or internet access.
- To attend 20 hours training at our School or until I am able to use the computer to the school's standard.
- To not open suspicious emails or software which may contain viruses
- To let my child have supervised access to the Internet for up to one hour per day.
- To train a friend, family member or a neighbour some of the skills I have learnt.
- I agree to be interviewed for research and evaluation purposes. I understand I can withdraw any comments from the transcript that I wish.
- I will get to know the services and web sites my child uses.
- We will have rules and guidelines for computer use by my family and will discuss these rules and post them near the computer as a reminder. I'll remember to monitor these rules, especially when it comes to the amount of time they spend on the computer.
- I will encourage my child to come to me at any time if they feel unsafe about anything they experience on the Net.
- I will help make the Internet a family activity and ask my child to help plan family events using the Internet.
- I will take responsibility for introducing visitors, friends to the computer and I will make sure that they also must comply with the rules we have set down for our family.
- I will e-mail our School for child absences etc.
- If we leave our School we will return the computer.
- We do not own a computer.
- If the computer is not working I agree to contact the school technician or trainer within one day.
- I understand our School can reclaim the computer if any of these rules are broken.

I agree to the above

## Child Agreement Student Pledge

To take part in the Computers In Homes programme

I agree to the following:

- I will not give my password and email username to anyone else.
- I will not charge anyone else to use our CIH computer or internet access.
- I will not give my address, any telephone number or the name of my school or my last name to anyone EVER.
- I will tell my parents right away if I come across anything that makes me feel uncomfortable.
- I will follow the "Internet rules".
- I will never send a person my picture or anything else without first checking with my parents.
- I will not respond to any messages that are mean or make me feel uncomfortable, if I do I will tell my parents right away so that they can contact the service provider. It is not my fault if I get a message like that.
- I will be sensible and not do anything that hurts other people or is against the law.
- I will not alter the settings of the computer or do anything that will harm its function.
- I will not download "free" software from the Internet as this attracts Spyware, which can disable the computer.
- I understand the computer is for my family's education and comes to our family from my/my sibling's school
